My dear Aunt Anne -

I know you will be
interested to know that Dorothy
has a little daughter, born
right before last - and named
"Carolyn Murphy" - I feel very
proud to have a namesake!
Dorothy had a hard time
but rallied nicely and has
been very comfortable since,
so I hope she will soon be
well and strong again - and

needless to say, she and Alfred are
very proud and happy -

I am sorry to hear you have not been
enjoying your usual good health this
summer, but I hope you have had no
recent attacks of pain - I understand it is
your appendix that is troubling you - and that
is a most troublesome and useless thing
I should judge! and that this fine
summer weather is making you feel better
again -

Please do not feel that
this letter needs an answer for you have
so much writing to do always that I would
not burden you with more - and I know
you will be glad of the good news -

With fond love,

Ever affectionately

Carolyn -
